Chapter D Visitation March 14th

Kenny called me and asked if I would like to ride with him (in the car) to Chapter D. Being that his leg was not quite ready for the bike I felt he needed support. So off we went. It was a nice ride but a little fog around Shelton. We arrived at Duffy's Restaurant about 7:30 AM. A short time later the Wings arrived from Chapter A. Mike Briese led a group from the Federal Way truck stop. Mike B, Joe E, Bill H, Don H. A while later Gary F and Steve T arrived. Big turnout, 50/50 was just over \$100, a few items were won by the Apes.

After the gathering we headed over to the mall and to ogled the motorcycles and some cool Rods (cars). Around 11 AM we headed home.
