

I missed a couple of things in the last email on the 20th.

Gary Beard & Mike Briese have been working very hard to get the stores on the website and now it's there, take a look.

April 25th - This Sunday is the Highland Fling it is an AMA event and it is usually well attended by GWRRA members.

May 8th - Chapter Q One Craazy Ride. At Crazy Larry's. Flyer available on the web site calendar.

July 4th - The record attempt for the "Guinness Book of World Records" largest parade of Honda motorcycles occurs on July 4th. The Goldwing Touring Association is sponsoring this event July 1-4. I know this is when the Wingding is happening. But for those who are not going to this years Wingding event, this would be a nice alternative. Only Honda motorcycles will be allowed in the parade. For more info people can go to their web site on the flyer. Could you post this for everyone to check out? Thanks! Also we have a Chapter A visitation to Chapter M Yakima on the 3rd, it would be a shorter ride to Ritzville. Flyer attached
