

Chapter A E-Mail
April 26, 2010

Keep checking the Webb Site and Bulletin Board.

Gathering last Saturday was well attended with a couple of faces we haven't seen for awhile Clayton Stevens and G. Ray Glenn. Mike Mercier has is now a member of GWRRA and has a trike. Kenny had a short ride planned for after the gathering.

Last Wednesday's social was held at RMC in their new Irish Pub. Yes I did see someone having corn beef and cabbage. See pics on the website.

Sunday was the Highlands Fling put on by CMA at Tacoma Motorsports. We had a total of 17 bikes. Everyone did an excellent job in riding. Short report below.

For the summer riding season we are looking to hold our socials at one place each month. For May our socials will be at RMC in Renton this is central to most of us. I am open for suggestions for other meeting places. Give me feedback.

This next Monday will be the news letter so if you have something you would like to add let me know.

Rider Education:

In the AAA Journey magazine on page 14, there is some good information about driving at night and the “moth effect.” I will print this article in the news letter.

Ride Report:

Highland Fling – Left Tacoma Motorsports and headed South. Worked our way through Yelm and along Lake Kapowsin. Up through Buckley to Mud Mountain Dam where we stopped for a photo. Then through Enumclaw to the Green Valley to Hwy 18 we traveled to I-5 and headed South. At Fife we headed West then South into Tacoma along the waterfront to Tacoma Motorsports.

If you have something for the weekly email, or new letter send it to me by Monday of each week.
