

Keep checking the Webb Site and Bulletin Board (BB).

Social at RMC was a good turnout.

Great gathering Saturday. Chapter M (Yakima) came with about 8 members to reclaim their mascot. Good to see the Eastside venture out to the snowy, rainy Westside. They did reciprocate by taking our mascot, Jerry, to a warmer climate. So now we will have to buck up and go retrieve Jerry. A Chapter M member did take home ½ of the 50/50.

Last week I reported a conflict between Chapter B's (Bremerton) Harvest Run and our chapter visitation to Chapter X (Vancouver) gathering. If you find your free to attend Chapter X's gathering I now they will be happy to see you.

**A couple of rides this last weekend:**

PeneTimB, GaryR and SteveT headed to Pendleton, Oregon. See Ride Report on bulletin board.

KennyU, MikeB, DaveD and SamG headed south on the Eastside of I-5 to Vancouver and up the Westside to Olympia and home. Hopefully I will get a ride report done in the next couple of days.

I missed a Spokane ride report by Jeff Harvey. It should be on the BB soon. Sorry Jeff.

**Rider Education:**

**Here is a FAQ (frequently asked question) and answer from the WSDOT HOV website.**

<http://www.wsdot.wa.gov/hov/faq.htm#whocan>

**Can I be in the HOV lane if I'm pulling a trailer?**

Yes, as long as the combined [gross weight](#) of both the vehicle and trailer is 10,000 pounds or less, and you are able to keep up with the flow of traffic. A ticket may be issued if you are impeding "normal and reasonable movement of traffic" in the lane ([RCW 46.61.425](#)).
