

Hi Guys.

I received this from Sam yesterday:

Would you send out that I'm on a ride on a ride to California and I will be back on the 20th? There will be no email this week unless you want to put something out.

Sam.

So, without further ado, here is the weekly email for June 14, 2010

Chapter A E-Mail
June 15, 2010

Keep checking the Webb Site and Bulletin Board (BB).

A couple of rides this last weekend:

On Saturday, several of you all enjoyed the Duck Hunt down Aberdeen way. I hear that Andy Haugen led the troupe with Don Hatley riding tail gunner. I was not able to participate because of work so I may be a little off on who all was there. Please bear with me. I am told that Andy Haugen, Todd McLain, Bill Holt, Dave Doll, Dave Borel, Gary Francis, S.T. and Don Hatley were out and enjoying the sunny and warm day. I don't think Chapter WA-A won anything but they had a heck of a good time.

Kenny, Sam and G.P.Reinke headed south on a Big Sur tour. They sent pictures and a brief email. The email follows:

Hey,

About 800 miles into the trip. However, not as the crow flies. We take very side road we can just because we want twisty roads not just along the coast though we have seen some really good coastal scenery. I will try to post a report later tonight.

For some reason, the first day isn't available. not sure what I am doing wrong but will figure it out.

The Oregon coast is just gorgeous...

And just now I received a second email from G.P. Reinke:

Ok...it was an exhausting day. A little over 300 miles, 1,000 in three days but close in on the route and see how twisty it is. We were flamed out when we got to the hotel. One of the guys hit a small deer at 35 mph and survived...not the deer though.

So far we are 1,000 miles from Seattle but only about 600 or so is straight. The other 400 is all twisty roads off the main drag (Hwy 101). Kewl...time to crash...

Here is one of the pictures he sent along. Looks like a nice place to visit.

On Sunday, Don Hatley, Bill Holt, Todd McLain and myself paid a visit to Ron and Barb Felger. They have both had some serious medical challenges in the past few months. I know you all have been thinking of them and have included them in your prayers. I know this because the power of prayer has taken hold and the both of them are doing pretty well. They are in excellent spirits and they were even out on their new GL1800 the other day. I am REALLY pleased to see their ability to bounce back. Keep them in your thoughts and prayers. They will be riding with us again real soon.

Here is a picture I took of them on Sunday.
