

Chapter A E-Mail
July 5, 2010

Well the weather hasn't been the best on this side of the mountain. But a few have been challenging the rain god.

I know Tim and Angela were out this weekend but haven't heard about the ride yet, maybe Wednesday.

A bunch of us (17) headed over to Chapter M, Yakima, to reclaim Jerry our mascot. The Gathering was in Toppenish. There were four separate rides; Steve Tuggle headed over on his own Friday. Dave and Meridith doll, I believe, also headed over early. Mike B and his group headed over early Saturday morning, see his report on the BB.

Kenny Urban, Gary Reinke and I headed over at 5:00 PM Friday from the Triple XXXs in Issaquah. We hit heavy rain in North Bend and It stopped in Easton. The blue sky kept getting bigger and just before Ellensburg it was blue skys and sunny. We took the route through the Yakima Canyon, which was just gorgeous. Kenny did scare up three deer but the crossed the road well in front of use. We arrived in Toppenish about 8:30 PM. The next morning we all met at the Gathering.

Mystery Campout: Information on the campout has been placed on the website home page. Read the information and then e-mail me if you plan to attend, also if you plan to bring something.

Thanks to all of you who have notified us of your intention for the campout and the items you will bring. We held a meeting today and ironed out some of the items. It's look like a lot of fun. Remember it is a family campout and kids are welcome.

We looked at three routes let me know which route you like.

Route 1. Long Route 199 miles 4hrs 59min
Route 2. Medium Route 161 miles 3hrs 21min
Route 3. Short Route 155 miles 2hrs 36min

Rider Education:

Early morning and Evenings are the most likely time to meet critters on the road, but keep a good look out for the ones who can't tell time.
