

Chapter A E-Mail  
July 14, 2010

Sorry I didn't get this out on time, it has been a crazy week.

Doreen came home today at 11:00 AM. She did not have any heart problems; it was a preexisting problem that flared up. They gave her a little stronger medication and it looks like it is working. A big thank you for all the well wishes.

This is the weekend of the District Rally. Doreen and I will be heading over Friday. Chapter L and Chapter A have been tasked with the 50/50. Less and Stephanie headed over today and she will get with Chapter L to work out the particulars.

**Mystery Campout:** Information on the campout has been placed on the website home page. Read the information and then e-mail me if you plan to attend. A big thank you to Mike Briese for correlating all the information. It looks like we got a pretty good handle on the campout.

Remember it is a family campout and kids are welcome.

We looked at three routes let me know which route you like.

Route 1. Long Route 199 miles 4hrs 59min

Route 2. Medium Route 161 miles 3hrs 21min

Route 3. Short Route 155 miles 2hrs 36min
