

Chapter A E-Mail
July 20, 2010

What a busy week and this week is going to be just as bad for me. This email is short and sweet but I will add more this week.

District Rally was well attended over 300 people. Friday night Gary Beard won over \$400.00 in the 50/50. More info to come.

Mystery Campout: Information on the campout has been placed on the website home page. Read the information and then e-mail me if you plan to attend. A big thank you to Mike Briese for correlating all the information. It looks like we got a pretty good handle on the campout.

Remember it is a family campout and kids are welcome.

We looked at three routes let me know which route you like.

Route 1. Long Route 199 miles 4hrs 59min

Route 2. Medium Route 161 miles 3hrs 21min

Rider Education:

It's getting hot out there. Keep hydrated and remember people get irritated in hot weather.

Ride Reports:

Mike Briese led a contingent of Apes to the District Rally.

Tim Bowman is out doing his thing.

Monday my son-in-law (Steve, Harley Rider) and I road to Hermiston Oregon to meet my brother and his wife (Jim and Lei, Harley Rider), who are riding up from Las Vegas. We were to meet at 1:30 PM at Denny's. We left Buckley at 7:30 AM and took a leisurely ride over Hwy 410. Down I-82 to 370, down 395 to Hermiston. We arrived about 12:20 PM. Bill and Lei arrived about 1:15 PM. We headed back taking the basic same route. We arrived at Buckley at 7:45 PM.

Check website and bulletin board.

If you have something for the weekly email, or new letter send it to me by Monday of each week.
