

Chapter A E-Mail
August 16, 2010

Well we started the week on a sad note with the passing of Jim Coe. I will be contacting Sharri tomorrow.

Mystery Campout: I have been reminded that it is Eldon and Pam not Patty.

Neil and Lois Anne are up from Arizona and will be at our social this week and our Gathering on the 28th.

Chapter Y is putting together our Riddler run for 2010. The proceeds from this years event will go to the local food banks.

I heard a statistic last week that really struck home. They said that 1 in every 8 people in America is using the food bank system and that to me signaled the need for our support for these vital services in our communities. They need our help now as in the past.

I am asking for your help in promoting the Riddler run in your chapter. I have been called back to work again and it involves working Saturdays, the day that most of you have your Chapter gathering. because of this I am not able to attend your chapter gatherings to promote the run and ask for your support. I have attached a copy of our flyer to this e-mail.

I do appreciate your help with this.

Rider Education:

We have had a long dry spell remember that the first rain will make the roads like grease. Keep hydrated and remember that the hot weather makes some driver irritable.

Ride Reports:

I know there was a visitation to Olympia Chapter I this weekend.
Ray and Gail led a ride this weekend.

Keep checking the bulletin board for ride opportunities.

If you have something for the weekly e-mail, or new letter send it to me by Monday of each week.
